

Maggie Walker

Visual Arts Boosters

maggiwalkervab.org

The Visual Arts Boosters provide support for the visual arts program at Maggie Walker. The VAB assist the teachers and students in the areas of visual arts, photography, art history, and digital media. Our purpose is not only to raise funds to advance the arts at Maggie Walker but to provide important advocacy for visual arts - at school and in the greater community. Our goals include: providing support for art student art openings; helping to organize field trips and other enrichment opportunities; and fund-raising for the guest artist fund, art awards, special material costs and pARTnerships with local arts organizations.

There are three ways you can support the VAB:

- 1) **Become a VAB donor** – see the contribution levels listed below
- 2) **Join the VAB Support Committee** – this group meets with the visual arts teachers 4-5 times per year to understand where support is needed. This committee also coordinates art treks, Fall Festival support, student arts shows and other key visual art programs throughout the year.
- 3) **Volunteer to support a specific event or program**

I would like to become a VAB donor:

(Please make check payable to the Governor's School Foundation)

_____	Student	\$35
_____	Supporter	\$50 - \$99
_____	Patron	\$100 - \$199
_____	Benefactor	\$200 and more
